## "Promising" On Two Glades Bridges Narrowed From The Political To The Contractors

Clearly Brothers Have Ordered Steel And Only Await Shipping Date To Begin Work

A stubborn fight against exclusive politics, both in the county and in Tallahassee, and including a grand jury report, has finally brought the four-year promising agreement down to the contractor who reports that the "all-clear" signal has been given him, on two Glades bridges.

Vincent R. Gorman, Vice President of Clearly Brothers, reports that "nothing prevents the commencement of the job, except the desire to interfere with traffic as little as possible. We have ordered the steel for these bridges, and just as soon as the delivery date is assured, we will carry the work along so that the steel may be used immediately on its arrival."

"There is no financial objection to immediate commencement of the work," he continued, "as we have a very large and satisfactory understanding with the State Road Department."

Mr. Gorman stated that the Chosen bridge construction is now at a standstill awaiting steel, and would not now be in that condition had it not been for the unreliable delivery date promises for that steel.

## Mrs. Wood Elected President Of PTA

Mrs. Guy Wood, Jr., was recently elected president of the Parent Teachers Association for the coming year.

Mrs. Wood, who was elected first vice-president, Mrs. Vernie Boots, 2nd vice-president, Mrs. D. H. Dunham, 3rd vice-president, Mrs. W. M. Matthews, treasurer, Mrs. N. Knight, historian, Miss Kathleen Rogers, parliamentarian, Mrs. Frank Dooley and delegate-at-large, Mrs. Lee Puckett.

The second grade taught by Miss Dorothy Black, was awarded a plaque by Mrs. Margaret Earwood and also a gift of money for the largest number of parents attending.

Mrs. Paul Jones, high school librarian gave a talk on the different phases of the library's operation.

It was voted on to endorse the recommendations of the recently formed Traffic Committee and to request the Florida Highway Patrol to be sent for a weekend trip to Washington.

The Police Department also sponsors a boy, Louis Friedheim and a Don Acree have been selected on the basis of merit, and time of service, they will meet boys for a night seeing trip of the capital.

Plans were announced to install an exhaust fan in the school cafeteria and also that the black out curtains have been installed in the activity room of the high school.

Miss Harry Boegershausen, president of the County Council of Parent Teachers Assn., of West Palm Beach will install the officers at the last meeting of the year, May 14.

Wednesday was a grand day for golf, in fact it was a day for golf. The boys were turning in an 87. She would probably have won an 82, but when up to a couple of holes when she was out of her game. Just a temporary lull.

Calves playing Wednesday were: Nougat, Pique, Friedheim and Louis. Clara (Continued on page 4)

## Local Lions Elect Boots As President

At its scheduled election of officers Wednesday, the local Lions Club elected Vernie Boots as President for the coming year.

JERRY BURRY ELECTED TO STUDENT COUNCIL JOB AT NORTHWESTERN

Mr. Allan Burry of 543 S. Main, Belle Glade, was elected treasurer for 1953-54 of the Student Council of the Methodist Student Foundation at Northwestern University at the annual elections Sunday evening, April 12.

The Methodist Student Foundation at Northwestern deals with a constituency of more than 1000 Methodist students. The Student Council works with the full-time director, giving leadership to the many committees and the wide activity of this student religious organization.

Mr. Burry will be working with a council of 22 students coming from many different states. This year he is a sophomore in the School of Speech at Northwestern.

With F. C. Schoenfeld as First Vice President, The short-handled man is R. E. (Trouble) Howard and V. L. Dexter; those completing the organization of a Credit Union with some 50- (Continued on page 4)

AN EDITORIAL

**Flood Control Is Victim Of 'Ikes' Team Of Confusion**

The Republicans ran around the country promising an earthly utopia—lower taxes, riddance of fur coat and freezer boys, and soft peddling of the bureaucrats!

They actually came to Washington—at least some of them did—believing in the "salvation for the country" thru Republican victory.

This Morrison Elder made Secretary of Agriculture, we're afraid, has about decided to call his church's foreign missionaries into Washington and put them to work on the USDA's \$300,000,000 flood control program.

It is the learning of the facts of politics the hard way—Dulles' and his self-commencing hot air pumps spurred on by their individual beliefs in a "wing-back" publicity; the interference—no inclusion included in any touchdown plays so far, depending on his backfield men to indulge in team play.

It must remember that a quarterback must use his abilities to run, pass, kick, side-step and utilize his interference—no interference to opposing players, not to the home team.

We have about the same team in the Capitol Building, just a few substitutes who can't resist the picture-taking boys and the whoop-la writers.

The same team that authorized this Overall Flood Control program will push the lightning boys aside and get down to brass tacks soon.

Remember a quarterback named HOLLAND, a triple-threat back named SMATHERS, and par-excellence interference runner named DWIGHT ROGERS?—just "Watch 'em."

## Order Of Rainbow Elects Officers

Officers for the coming year were elected at the meeting of the Rainbow Girls Monday night. Worthwhile advisor, Joan Robin, worthy assistant advisor, Liska Humphries, Charly, Jane, Nails, Hope, Doris Burke, Faith, Gabe Allison; Recorder, Winifred Burry and Treasurer, Pat Tolley.

Miss Robin will announce her appointive stations at a later meeting. A public installation of officers will be held at 8 p.m., May 4, at the Benevolent Hall. The Rainbow girls will start rehearsals next week on their musical production, "Flying High." Funds from the affair will be used on their project at the Masonic Home.

## NEWS OF GLADES BOYS AND GIRLS IN THE SERVICE

of Belle Glade High School.

Pte. Carl Dean of Fort Benning, Ga., is home on a 30 day furlough visit with his parents, Mr. and Mrs. T. L. Dean.

Army Pvt. Charles D. Reese, son of Mr. and Mrs. Joe Reese, Belle Glade, is now serving with the 1st Cavalry Division in Japan. Private Reese, a message center clerk, entered the army in July, 1952, and was stationed at Camp Gordon, Ga., before going overseas.

A note of appreciation was received recently from 2 1/2 Raymond Collinsworth from overseas. I want to thank you for sending me the home, town paper. You don't know what it means to me to know and see life down on my bank and read the life I used to know so well.

Airman Collinsworth has two more years to spend in Japan and is based at Techuwa, (Continued on page 4)

## Dogs To Dinners Involved Daily In City Affairs

Fifty Odd Employees Bring Problems To All Departments

A local resident reports that dogs made strings of her new dress, a couple of extra nice slips, and a few other miscellaneous items such as pajama tops, etc., pulling them from the clothes line at night. This is a further argument about licensing dogs and keeping them home or training them with better manners—cause some dogs are going to get shot.

Among the jobs of the City is to feed the prisoners, and recently this item has caused no particular flurry or head scratching.

The City Fathers reapportioned Ken Lutz and Sid Smith as members of the City Planning Board. Other members are Sara Creech, Paul Davidson and S. C. Herring.

The city employees have just completed the organization of a Credit Union with some 50- (Continued on page 4)

The public man for the local Lions Club honestly announces in a prepared story that "exceptional talent (good and bad) will afford relief from good seeing," in announcing the Gay Nineties Revue scheduled for next Tuesday evening in the High School Gym at eight o'clock.

The Lions are to inaugurate the celebration and a lot of hustle in their efforts to help the local High School Glade Club with something of which the entire community should be proud, and all Lions will be in there "pitching" to make the home talent worth while seeing.

The boys with the big roar have some very entertaining talent, known as the "Machine Shop Five," headed by the everglades torcher Dale Ellis as well as other numbers worth hearing.

The Glue Club will be doing their stuff—and they do it quite well, thank you.

A queen will be announced, crowned and presented to the audience during the show.

The entire proceeds will inure to the benefit of the Glue Club, 50 par-dance tickets even if you can't go and must give them to someone else—help the kids that have helped themselves and us.

## MAJOR GENERAL W. C. SWEENEY, JR.

On April 20th, Maj. Gen. W. C. Sweeney, Jr., took command of the famous Fifteenth Air Force with headquarters at March Air Force Base, Riverside, Calif.

While General Sweeney was serving overseas duty, his wife and children spent much time with her mother, Mrs. R. L. Murray, in Belle Glade.

The General's outstanding career includes mild made on Japan in E-28's and other southwest Pacific activities that brought the distinguished Flying Cross and the Silver Star. Among other activities was the low altitude long-range mass attack of 300 B-29's against Tokyo.

He has served 18 months on the General Staff in Washington, as deputy Commander at Saipan and as a member of the staff of General Spaatz.

General Curtis E. LeMay called for his former associate when he was ordered from Berlin to reorganize the Strategic Air Command, and the present command is in recognition of his varied and outstanding performance as an aviator.

As the son of a career soldier, General Sweeney's preparation has a background of parental guidance and atmosphere of the uniform.

At the schools in the Glades position for coping with the educational problems of the migrant children. Several factors influence this view point, such as the interest displayed by the County Sup't., his staff, teachers and local community groups and beneficial effects of the farm labor supply problem.

The combined judgment of 103 teachers and principals (35 white, 68 colored) in the Glades Area Schools rates migrant children as average or slightly below average in respect to a wide variety of personality traits. Points worthy of special note are:

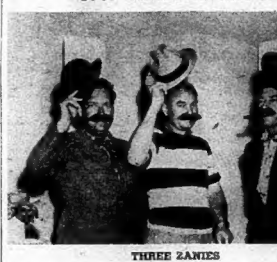

1. Significant number of above average ratings for migrant children in respect to self-reliance, ability to adjust and cooperativeness.

2. Heavy below average ratings in regard to respect for property, cleanliness and feeling of belonging.

3. Some fourteen personality traits were graded by the teachers.

IF YOU SEE A GOOSE WITH A WALKING STICK around town, we'd advise checking on your brand of joy jolks. But there's a good coming to town that will bring more than a hundred prizes from local merchants in a contest that may make it all look a little "goosey," just it will be fun.

## GAY NINETIES REVUE

## Gay Ninety Queen To Add Variety To Good and Bad Acts

The principal problems felt by the teachers out of sixteen noted were:

1. Overcrowding and overloading.
2. Retardation in reading.
3. Absence.
4. Parental indifference.

In the final analysis the educational problem of migrant children is not an isolated one. It is intertwined with other migrant problems principally transitory, low income, housing and health.

## Vegetable Crops Field Day Thurs. At E. Ex. Station

Sweet corn leaf blight and other troublesome corn problems will be given the once over along with celery, beans, cabbage and potatoes at the Vegetable Crops Day to be held next Thursday afternoon at the Everglades Experiment Station, with Messrs. Emil Wolf, Frank Stevenson, Walter Thomas, Dr. W. N. Stans and County Agent M. U. Mounts in charge.

The items above will be given the special consideration for the day, but all work at the Station will be subject to inspection and questions for those who like it.

The following is the program as announced by Station: Assembly at Mayo Pavilion—1:15 p.m.

Rev. Shirley E. Green, of the National Council of Agricultural Labor and, an organization composed of a group of churches and others, working thru and with an advisory group from the Glades, has conducted during the past several months an investigation into schooling for migrant children, both white and colored.

Indications of the conclusion from the study were evident at a recent meeting when preliminary findings were discussed, and they are significant, as follows:

1. While the problem of education for migrant children affects both white and negro schools, it is predominantly a problem of the negro schools.

This is born out that negro schools have shown as high as a 115% increase in enrollment in peak months during the harvest season.

2. The major approach to solution lies in the field of adult education.

3. That the schools in the Glades are in a very favorable position for coping with the educational problems of the migrant children. Several factors influence this view point, such as the interest displayed by the County Sup't., his staff, teachers and local community groups and beneficial effects of the farm labor supply problem.

The combined judgment of 103 teachers and principals (35 white, 68 colored) in the Glades Area Schools rates migrant children as average or slightly below average in respect to a wide variety of personality traits. Points worthy of special note are:

2. Heavy below average ratings in regard to respect for property, cleanliness and feeling of belonging.

3. Some fourteen personality traits were graded by the teachers.

So that the reading public at the Station are doing, and the many subjects being covered, we offer the following:

AGROLOGY—Pasture Investigations: Fertilization for yield and quality of grasses and clovers. Pasture management for beef and carrying capacity. Estimates of value of various grasses for beef and carrying capacity.

Interplanting winter grazing crops into established sod.

Free nitrate content of various winter grazing crops under different fertilization and soil preparation methods.

Observation of various species of grasses and legumes in plots and variety trials to determine

## Little Leaguers, High School And Ramblers Make Up 135 Ball Players All Busy Here

National Pastime Getting Healthy Interest Among Population

With four 15-men Little Leaguers and four farm teams, keeping more than 100 boys below twelve busy, and approximately 20 each with the high school and Ramblers, Belle Glade is going all out for baseball this spring.

For those who like baseball there's always a game going in the afternoon and early night hours. The following is a report of the past week's activities:

## ROTARY OUTLASTS LEBION IN 13-10 CONTEST

In the first game Tuesday night at Memorial Field, over 300 fans watched the Ramblers march 10 men to the plate in the first inning, Burry was the lead-off man but Little Baldwin, for Legion, a first hurler, sent him to the dugout. Three strikes; then Robbins hit a line single to start the rally. Michael drew a base on balls; two passed balls and a stolen base and Gamble hit a sharp grounder to the pitcher who errored, sending Robbins and Michael home. The score then was 3-0 in favor of the Legion.

The Legion bats began to boom with a lead-off single by Hudspeth and a sharp double by Crider sent Hudspeth scrambling home with the first run. Crider tried to stretch his double to a triple, but was cut down at third by Sunda. The Royal left fielder, Hubner, drew a free trip to first. A couple of passed balls and Forsee's sacrifice sent Hubner home with the second run of the first inning. Then Gamble made Van Landingham fly out to him to end the threat.

In the second inning the Rotarians sent nine men to bat. A two-base on balls, a stolen base, an error, a fielder's choice, a hit batsman and a sharp single by Chamblee, put the Rotary ahead eight to four. The Rotary scored again in the fourth and fifth innings.

Gamble started on the mound for the Rotarians with Burry catching. Baldwin was handling the pitching for the Legion, with Van Landingham behind the plate.

The box score follows:

Team	P	AB	R	H	E	PO	A	E
Legion	9	30	10	13	5	1	1	0
Rotary	9	28	4	11	3	1	1	0

Gamble started on the mound for the Rotarians with Burry catching. Baldwin was handling the pitching for the Legion, with Van Landingham behind the plate.

Our boys are determined to make for the game last Sunday.

Start will be here Sunday afternoon and the boys are working to make that a decisive win.

Arrangements have been made to give the Ramblers the full force and are working hard, with marked improvement, on fielding and batting.

Our boys are determined to make for the game last Sunday.

## RAMBLERS WORKING HARD ON BATTING AND FIELDING

Manager Alvin Parks reports that squad members of the Ramblers have turned out for practice both afternoons this week in full force and are working hard, with marked improvement, on fielding and batting.

Our boys are determined to make for the game last Sunday.

The presentation will be made at the State Assembly to be held during May in Miami.

Among the visitors were Mrs. Harold Kermen and Mrs. Lilly Stiff, mother of the President of the Gardenia Lodge.

The next meeting of the Lodge will be held May 4th, with a covered luncheon to be served before the meeting.

**RDB FIBER COMMITTEE CONSIDERS FUTURE OF SMALL GLADES FARMER**

Dr. R. V. Allison, Chairman, held a called meeting of his Fiber Committee of the County Resources Development Board on Monday afternoon to discuss problems facing the little farmer who desires to produce ramie fiber.

Due to the amount of capital needed to put into operation a central decorticating plant such as Newport and American Ramie and Ramie have, the small farmer is shut out unless he is able to secure decorticating by one of the larger plants.

Encouragement of development of field decorticating was decided as the best approach to correction of the present conditions.

Among other items discussed was that of a more efficient harvesting machine.

**What's new about "TT" DYNAFLOW?**

It's only fair to warn you.

When you try a new Buick with the sensational Twin-Turbine Dynaflo Drive,\* you'll tingle all over with thrill.

You'll sweep your speedometer needle from zero to 30 mph so quickly, you won't have time to breathe but twice. You'll move from a standing start to legal speed so quietly, you'll practically hear your heart beat. You'll experience such complete and utter smoothness every step of the way, you'll be wholly relaxed, refreshed, and ready for more.

This is not dream stuff. This is real. This is what actually happens when you're at the wheel of a new 1953 Buick with TT Dynaflo.

Twin Turbines in the Dynaflo unit, instead of just a single one—in addition to other engineering advances—make the tremendous difference.

So you feel a firmer and more immediate "take hold"—get far faster getaway, new

## Annual Convention At St. Petersburg

Dr. and Mrs. Thomas Bregger and the Rev. and Mrs. John C. Petrie have been attending the 31st Annual Convention of the Diocese of South Florida in St. Petersburg, Tuesday through Friday of this week.

Headquarters were the Soreno Hotel, where the Annual Laymen's dinner was held Tuesday night. Dr. Edward McCrady, vice chancellor of the University of the South (Sewanee) was guest speaker. Dr. McCrady is highly trained in science, philosophy as well as theology, his father having been rector of the Episcopal Church at Oxford, Miss., and also head of the Philosophy Department at 'Ole Miss.'

Last Sunday the Glades Episcopalians met at the home of Mr. and Mrs. C. W. Crady and heard Rev. Petrie report on the conference of the Christian Freedom Foundation which he attended last week in New York City.

Sunday night the group will be the guests of Mr. and Mrs. Ed Lively, N. W. Avenue F, at which time Father Petrie will begin a course on the Psalms.

## PALM LAKE BAPTIST MEET IN NORTHWOOD

Mrs. William Belk gave the welcoming address and Mrs. Allen Watson the devotionals at the meeting of the Women's Missionary Union, Palm Lake Baptist Assn., at the Northwood Baptist Church Thursday in West Palm Beach.

"Community Missions," was the program theme with Mrs. Harold Harlee speaking on "Community Missions in Palm Lake Association."

A pagant, "On the Road to Jericho," was presented by the church from the First Baptist Church, Lake Worth.

Churches in the Glades were represented by the following: Mrs. W. H. Byrom and Mrs. W. E. Schlechter of Belle Glade; the Rev. and Mrs. H. R. Harlee from Lake Harbor; Mrs. D. L. Shiver, the Rev. and Mrs. James Purcell, Mrs. A. B. Barnes, Mrs. W. M. Jeffries, Mrs. A. J. Williams, Mrs. H. C. Willett, Mrs. Jimmy Trumbler and Mrs. Martha Tupper, South Bay.

## MR. BRYANT GUEST SPEAKER OF WMS

Mrs. W. E. Schlechter, presided at the meeting of the WMS at the First Baptist Church Tuesday evening. The meeting opened with the song "Open My Eyes" with Mrs. C. K. Butcher at the piano and prayer by H. M. Byrom.

Mrs. Willie Davis Commun-

ity Mission chairman reported that consisting of visits to the Ocala camp will be made through May.

Social chairman, Mrs. Hubert Chamblee told of plans for a party to be held at the church April 30.

Mrs. Junius Harris announced that there are 26 children in Sunbeam Band and assistants are needed with the hand work.

Mrs. Schlechter reported \$50 for the anniversary party, April 30, also that Palm Lake Assn. will furnish bus to transport the boy and girl auxiliary members to camps in Tampa this summer.

Circle reports were given by their chairman.

James C. Bryant of Stetson University, DuLand was introduced as guest speaker. Mr. Bryant served as student missionary three years he has been baptizing and is now in the Baptist Churches and preached on Sundays in Panama Canal Zone.

He showed colored slides of the country and phases of his work there, explaining each picture as shown. The last picture shown was of a Panamanian with a load on his back, to show the burden of those living in the picture.

The Glades Smith Circle, with Mrs. Elmer Oaking in charge and Mrs. Davis and Mrs. Chamblee assisting served refreshments of cookies, candy, coffee and lemonade.

## HISTORY OF CHURCH GIVEN BY MRS. PRICE

The general meeting of the Women of the Everglades Presbyterian Church met Tuesday evening with Mrs. Richard Murray presiding.

Mrs. Loh Ruff was appointed chairman of the baby spoon committee (a silver spoon given to members of new babies).

Mrs. C. E. Crisfield, publicity; Mrs. Ralph Pipes, chairman Church extension.

It was voted on to approve plans of the choir list and robing room.

Mrs. Robert Roadman gave a report on attending the Presbyterian in St. Petersburg.

The devotion was given by Mrs. Robert Lanier and Mrs. L. Price was in charge of the program. Mrs. Price gave a very interesting talk on "My Church," relating the history of the local church from the beginning to the present time.

Mrs. Gene Beck and Mrs. Eleanor Parker were co-hostesses for the evening. Others attending were: Mrs. Robert Ford, Mrs. Ed Browning, Miss Audrey Harvey, Mrs. W. F. Knight, Mrs. Ruth Barron, Mrs. Taylor, Mrs. Virginia Salerno, Mrs. John Randolph, Mrs. Sam Crisman, Mrs. Sally Hubner, Mrs. David Motes, Mrs. Pearl

## WMU ANNIVERSARY PARTY APRIL 30th

WMU of the First Baptist Church will celebrate their thirty-second anniversary with a party at the church, Thursday, 8 p.m., April 30.

There will be presented a tableau with the history of the WMU for the past sixty years. The new pastor Rev. U. W. Malcolm plans to be there. Everyone is invited to attend.

Following the Sunday morning services on May 3, there will be a covered dish luncheon in the recreational hall.

## Outline for the INTERNATIONAL SUNDAY SCHOOL LESSON

For April 26, 1953  
Lesson Title — "Paul Faces Opposition"  
Scripture — Acts 18:1-4, 18

Introduction:  
On this journey, Paul changes his methods; rather than hurried visits, he spends two years at Corinth establishing a strong Church.

Outline:  
I. Beginning at Corinth — Acts 18:1-4  
II. Separation from the Synagogue — Act 18:5-8  
III. The Vision of the Lord — Acts 18:9-10  
IV. Paul Before Gallio — Acts 18:12-18

Conclusion:  
1. Paul was discouraged at Corinth, but God gave him the needed strength to carry on; in our day this too is the case if we are seeking to do God's will.  
2. At Corinth Paul brings completely with the Jews and becomes the Missionary to the Gentiles.

## THIS WEEK'S SERMONETTE

THE PLAN OF SALVATION  
By Elder A. A. Johnson

Church of Jesus Christ of Latter Day Saints

In the midst of the Christian world there are many conflicting theories in relations to man's existence here and hereafter. Also as to the duties he owes to himself, his religion and his fellowmen and creator. It is an undisputable question that some knowledge of, "where we came from? Why we are here? and where we go after we leave this probation," is essential to the happiness of everyone.

The teachings of this church, backed by Bible Scriptures, are that we lived as spiritual children with our Father in heaven and our elder brother Jesus Christ.

The Lord speaking to Jeremiah said, "before I formed thee I knew thee and before thou camest forth I ordained thee a prophet unto the nations." Jer. 1:5. The Lord to John, "Where wast thou when I laid the foundations of the earth, when the morning stars sang together and all the sons of God shouted for joy?" Job, 38: 2-7. These and many more Biblical Scriptures will prove that man existed as a spirit before coming to this earth.

A Wise Creator placed man upon the earth for very specific reasons, namely: to gain a body of flesh and bones, to prove himself, and to gain experience. This determines our status in the life to come or hereafter. Jesus marked the path and led the way whereby we may go back into the presence of our Father.

There are four principles that everyone must accept and do in order to get back into His Kingdom, where He dwells. These principles are faith, repentance, baptism by immersion and

## ALMIGHTY GOD, A PRAYER FOR UNITY

By DWIGHT D. EISENHOWER

As we stand here at this moment, my future associates in the executive branch of the government join me in beseeching that Thou wilt make full and complete our dedication to the service of the people in this throng and their fellow citizens everywhere. Give us, we pray, the power to discern clearly right from wrong and allow all our words and actions to be governed thereby and by the laws of this land.

Especially we pray that our concern shall be for the people, regardless of station, race or calling. May co-operation be permitted and be the mutual aim of those who, under the concept of our Constitution, hold to different political beliefs, so that all may work for the good of our beloved country and for Thy glory.

AMEN.

## REVIVAL CONTINUES IN THEATRE BUILDING

Revival continues with Evangelist Ronald C. Johnson and Song Leader Russ Tandy, in the Everglades Theatre Building.

Sunday night a prophetic message will be featured on "RUSSIA'S SECRET WEAPON."

For 34 years Russia has been producing a weapon to be used on the battle field. We cannot produce this weapon in the quantity that Russia can. Why? The Reds used this weapon once in Korea. When will they use it again? WE WILL HAVE ONE OF THESE WEAPONS ON DISPLAY IN THE SERVICE SUNDAY NIGHT.

The Word of God clearly tells us what this weapon is.

Everyone is welcome and invited to attend this service. Come and enjoy good singing and special music on the Mighty Hammond Organ and other musical instruments.

Services are being held Sunday at 8 o'clock, thru Sunday May 3rd, except Monday evening when there will be no service.

## CROSS COUNTRY CHATTER

with  
Mac White

Last night was kind of  
rugged. I was bottling back  
from Miami—which means I  
was driving my trailer and  
out a trailer. I left the trailer  
and four new automobiles at  
Miami for another truck driver  
to haul to Key West.

Half way between Okech and  
New Smyrna my right eye  
caught a quick flash in the  
east distance. When I turned  
around for my periodic visual  
scout, I couldn't see it. I  
wouldn't have seen it, I pulled  
onto the shoulder, lighted some  
flares and walked back to the  
car.

A New York car was lying  
on its side. Its front was like  
an accordion where it had  
smashed a utility pole. The  
driver was wedged in between  
the steering wheel and the  
seat. He was hysterical. A  
woman sitting next to him  
was out cold. There was a  
little baby in her arms and  
the baby was crying. I turned  
my flashlight on the speed-  
ometer. It was jammed at 90  
miles an hour.

I took the baby out of the  
car. Apparently she wasn't

hurt—just frightened. I  
wrapped her in a blanket and  
laid her on the seat of my  
tractor. Then I flagged down  
a motorist with my flashlight  
and told him to highball up  
ahead and call an ambulance  
and the law. I couldn't tell  
much about the couple's in-  
juries and my first aid train-  
ing warned me. "When you  
don't—don't move 'em." But  
I got some blankets around  
them and applied pressure to  
the guy's left arm, which was  
thrusting wildly at me. Then  
I managed to apply a  
make-shift tourniquet.

A little later, I filed my re-  
port with the State Highway  
Patrolman and my duty was  
done. As I later said to me,  
"Mac—that's a mighty good  
emergency job you performed  
on that arm. You may have  
saved his life."

"That's all part of a pro-  
fessional truck driver's job,  
Doc." I told him. "But not  
many people know it."  
But you know—I still keep  
thinking about the motorist  
jammed at 90. Why do  
people do it?

## BEAN CITY NEWS

Union Baptist Church is run-  
ning a revival meeting this  
week. Your presence is re-  
quested. Rev. T. K. Kennedy is  
pastor.

Rev. and Mrs. W. E. Taylor  
visited Deacon and Mrs. Kendel  
and Rev. W. Porter, pastor of  
New Bethel Baptist Church, who  
has been ill. These moments  
were spent profitably and in  
God's service.

The attendance at the Bean  
City School is excellent. The  
boys have a contest with the  
girls for a treat to the group  
having the higher attendance  
for the week. The results are  
pleasing and the winners for  
this week will be announced  
next week. Mrs. Taylor, the  
principal congratulates the chil-

## NFA News

Last Friday night, April 16,  
we were very fortunate in hav-  
ing a very successful NFA and  
NHA Banquet. Our main speak-  
er, Mr. Herman Hudson, a re-  
cent graduate in the field of  
Vocational Agriculture, from  
Florida A. and M. College.

The program began with a  
song "Lift Every Voice and  
Sing" by the audience, followed  
by a prayer and Scripture read-  
ing by a NFA member, then the  
final opening number was the  
opening ceremony by the NFA  
officers.

In Mr. Hudson's address he  
outlined to the patrons the place  
of Vocational Agriculture and Vo-  
cational Home Making have in  
the life of American families.  
He explained to the audience the  
meaning of the NFA Creed and  
how a new farmer of America  
member can shape his life social-  
ly, morally, religiously and also  
how his business can be operat-  
ed cooperatively. He stressed  
the phrase of the NFA Creed  
that states, "The Life of Service  
is the Life that Counts."

We were very happy to have  
present over fifty parents at  
this banquet. We are proud to  
know how impressed they are  
over the work of these two or-  
ganizations, and we feel that  
they are 100 percent behind our  
program.

## NHA AND NFA BANQUET

On Thursday night, April 16,  
1953 the annual NHA and NFA  
banquet was held at the Home  
Making Building, Everglades  
Vocational High School, with  
Mary Thompson as toast mis-  
tress.

At this banquet the mothers,  
fathers, and faculty members  
were the invited guests. The  
guest speaker was Mr. Herman  
Hudson.

The building was beautifully  
decorated with the NHA and  
NFA colors, blue and white and  
black and yellow, respectively.  
The guest center piece was made  
of red roses which are the NFA  
flowers.

The program was as follows:  
"Lift Every Voice," audience;  
Scripture and Prayer, Willie J.  
Barber, NFA opening ceremony,  
NFA officers; Review of NHA  
Activities, Christine McCants;  
NFA chapter accomplishments,  
Willis Vercen; Introduction of  
NFA officers, Louvonne Mims;  
My Supervised Farming Pro-  
gram, Melvin Stephens; Solo,  
Christine McCants; Poem, "My  
self," Pearl Murphy; Introduc-  
tion of Speaker, Mr. J. J. Holli-  
day; Address, Mr. Herman Hud-  
son; Solo, Roberta Tensley; Clos-  
ing ceremony, NFA officers.

The banquet was a very en-  
tertaining and gala affair and  
it was enjoyed by every one  
who attended.

### 3 NEGROES CHARGED WITH GRAND LARCENY

Ezra Dendard, negro, was released of \$420 cash while he slept Saturday night. He had the cash in his billfold, fastened to his belt with a leather thong and stuck inside his shirt and under his belt. When he awoke this bill fold was lying beside him empty but still attached to his belt.

Chief of Police R. C. White was notified of the loss at 2 a.m. Sunday morning and had tracked down and arrested Rilo Jones on charge of theft within the hour. Jones had meanwhile lost the greater portion of the cash, having only \$37.95 on his person.

He was lodged in the Belle Glade Jail by Deputy Sheriff Robert Newman. Sunday he implicated J. H. Hawkins and W. L. Walker as having served him look-out while he cut the screen and entered the room to get the cash which he stated that he had heard Dendard and his brother counting before he retired. Hawkins and Walker had each received \$25 as their share of the loot. \$125 was recovered from Hawkins and \$105 from Walker, leaving \$152.05 still missing.

The three are in jail charged with grand larceny.

### ERIC HARTLINE TO HEAD LIONS CLUB

The South Bay Lions elected officers at their regular supper meeting Thursday evening at the Legion Hall. Eric Hartline was elected president. Roy Brown first vice-president, Clayton Waters second vice-president, Terry Driggers lion tamer, Clarence Tibbado tail twister, Frank Willis secretary-treasurer, Mead Willis and Sam Henderson were elected two-year directors, Russell Fisher and R. C. White one-year directors. Cleo Higginbotham was named outstanding Lion of the year.

Installation of officers and Ladies' Night is planned for Thursday, May 7 at 7:30 o'clock at the Legion Hall.

A report on the Lions snap-meeting was heard. Treasurer Willis stated that the 5 acres of beans would net the Lions approximately \$450. 540 bushel hampers were picked and sold at a premium price to the A&P Company. Home grown seed and fertilizer for the Lions tract were donated and the larger portion of the work was done by Lions Melvin Herrig and Cleo Higginbotham.

The bulk of the net profits on the bean venture will be devoted to completion of the baseball diamond on Jeffries Memorial Park. Treasurer Willis stated. The remainder will be used on various community projects such as palm trees, around the Roosevelt School, financing of annual football banquet in cooperation with the Belle Glade Lions and assisting the Athletic Association.

Mrs. Margie Henderson and Mrs. Ida Vee Walker served a baked chicken supper at W. M. Jeffries, S. J. Fisher, Melvin Herrig, Eric Hartline, F. W. Kelley, Clayton Waters, Russell Fisher, Sam Henderson, Cleo Higginbotham, Frank and Mead Willis.

### OFFICE ALLEN NAMED DISTRICT PRES. LEGION AUXILIARY

Mrs. Effie Allen was elected president of the Ninth District Legion Auxiliary at a district conference in Fort Lauderdale Sunday. Mrs. Allen is a charter member of the Belle Glade Auxiliary Unit No. 20 and has long been active in local and

those in the party were Mrs. and Mrs. Leland G. Keene, Patsy and Linda of Pahokee, Mrs. and Mrs. Marvin Miller, Billy Sue and Charles of Oklawaha, Mr. and Mrs. Jesse Barnes, A. B. Barnes and Donald Barnes of South Bay.

### CITY COUNCIL FETES SCHOOL PATROL BOYS

Chief of Police R. C. White and Principal Pellon Morris supervised a picnic at Fish-eating Creek Saturday for the members of the South Bay School Boy Patrol sponsored by the City Council.

The boys spent the day fishing and swimming and gaining the woods.

A fish fry, hush puppy dinner was served at noon and a wienner roast in the evening before returning home.

Patrol boys enjoying the outing were Billy Jackson, Johnny Prevatte, Warren Austin, Billy Bowen, Mitchell Williams, Buddy Little, Bobby Cartwright, David White, Cecil Harrell, Mike Chal-

lancin, John Little, Dean Allford, Bobby Willis, Robert Scarborough, and Ray Clinard.

Chemists say that metals may someday be mined from oil and vanadium.

## Highest-powered ENGINE in the low-price field

plus all these other buyer benefits that only the New Chevrolet offers you!

**Entirely new Styling**

Strikingly new—with longer, lower lines that set a new standard of beauty for low-priced cars. Roomier, richer interior, too.

**Entirely new Powerglide\***

Faster acceleration from a standing start with new automatic starting range... new power to pass in city traffic with new automatic passing range.

**Entirely new Economy**

The most important gain in economy in Chevrolet's history! Two great engines now offer even more economy than you have enjoyed with Chevrolet in the past.

**Entirely new Safety**

New one-piece curved windshield for greater visibility. New, sturdier construction. New, easier brake action and new Foot-Form brake pedal.

**Entirely new Durability**

Chevrolet's new Body by Fisher is strengthened throughout. New heavier door-posts and sills. New bracing in roof and framing.

**Entirely new Power Steering\***

Exclusive to Chevrolet in the low-price field! It permits you to park with finger-tip ease. You turn the wheel and the power unit does the work.

Pictured above, you see the great new 115-h.p. "Blue-Flame" engine—one of the most important advances in engine design in many and many a year.

New high compression! The 7.5 to 1 compression ratio is among the highest in the industry. Free-breathing carburetion, new aluminum pistons and many other features also play an important role in making this the most powerful engine in its field.

Yet, both the "Blue-Flame" engine ( teamed with the new Powerglide automatic transmission\*) and the advanced "Turbo-King" engine (in granit models) offer a wonderful gain in economy, too.

Why not come in and take the wheel on a demonstration drive? Why not make it now?

\*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ton" and Bel Air models only. Power Steering available on all models. (Continuation of standard equipment and trim illustrated is dependent on availability of material.)
